DRINK MENU

POURING HAND CRAFTED ALES OF MT. HOOD BREWING CO.

Government Camp, Oregon | Since 1991

MOUNT HOOD LAGER A perfect pizza beer! Delicate German pilsner & a touch of spelt malt produce a light, yet pleasantly smooth bod to lift the Mt. Hood hop variety forward with it's classic, spicy character.

ICE AXE INDIA PALE ALE Our flagship beer since 1992. A base of British crystal malts & large doses of EKG hops makes for an easy drinking, timeless British-style IPA.

PHLOX POINT WHITE ALE Traditional Belgian style wheat ale brewed with sweet orange peel, coriander & chamomile. A rare yeast strain compliments the spices resulting in a complex yet approachable white ale.

TIETON HUCKLEBERRY CIDER Tieton Cider Works is dedicated to showcasing the fruit our region has to offer. Their Huckleberry Cider is the perfect blend of Northwest mountain range berries blended with locally grown Washington State apples. Slightly sweet on the front with a tart finish.
