DRINK MENU

POURING HAND CRAFTED ALES OF MT. HOOD BREWING CO.

Government Camp, Oregon | Since 1991

MOUNT HOOD LAGER A perfect pizza beer! Delicate German pilsner & a touch of spelt malt produce a light, yet pleasantly smooth bod to lift the Mt. Hood hop variety forward with it's classic, spicy character.

PHLOX POINT WHITE ALE Traditional Belgian style wheat ale brewed with sweet orange peel, coriander & chamomile. A rare yeast strain compliments the spices resulting in a complex yet approachable white ale.

ICE AXE INDIA PALE ALE Our flagship beer since 1992. A base of British crystal malts & large doses of EKG hops makes for an easy drinking, timeless British-style IPA.

MT. HOOD CIDER We ferment this cider to complete dryness and let the acid and tannins in the apples create a crisp, snappy finish. The yeast adds other fruity flavors with a slight floral note, and leaves much of the malic acid present, adding to the crispness.
